David, Larry, Arthur, Chuck:

It has come to our attention that there are now no lane restriction signs on the Square. With the mix of bicyclists, motorists, and buses on the Square it is important that all road users are aware that the right hand lane is for bus, bike, and right turns only. We hope that this matter will be tended to in the near future. Thank you for your attention to this matter.

Bike Walk Madison works to build a community that provides universal safe and inviting access for bicyclists and pedestrians.

We do this by

- o Advocating for sound and progressive engineering and policies*
- o Educating pedestrians, bicyclists, motorists, and decision makers*
- o Advocating for law enforcement that results in positive behavior changes*
- o Encouraging walking and bicycling*
- o Encouraging and empowering citizens to advocate for their own walking and bicycling rights and needs*

We believe that citizens, organizations, businesses, and government can and SHOULD work together to improve the quality of life and safety of our community. Bike Walk Madison is an all-volunteer effort.
